**SUNDAY Field Trip, January 29**

People planning on participating in the field trip should probably plan to stay in Barstow, rather than Fallbrook on Saturday night. We will meet Sunday morning at 9 am at a central location in Barstow and either collect at a nearby mine, continue to Otto Mountain, or continue farther to the Singer Mine at Goodsprings NV.

Now is a very good time to make your advance registration for the 2023 Pacific Micro Mineral Conference. The registration fee is \$20 before the conference and \$25 at the door. If you have question you can contact [rhousley@its.caltech.edu](mailto:rhousley@its.caltech.edu). Continue below for a Registration Form, driving directions and list of accommodations within 10 miles of the museum. When registering please provide the names and current city of residence of all in your party. We like to have a personalized name-tag waiting for everyone in attendance. And please bring a couple of nice micro mineral specimens for the verbal auction and any unwanted mineralogical books, magazine, photo equipment or larger mineral specimens for the silent auction table. Hope to see you there!
